Wallstone<sup>®</sup> Urban

Retaining wall system

## Wallstone® Urban is a brand new retaining wall system

Wallstone® Urban is a brand new retaining wall system that has a larger face than the standard Wallstone® unit, has horizontal bevells and matching cornerstones and capping units. Wallstone® Urban is Adbri Masonry's entry level retaining wall and is made using a different blend of sands and aggregates to that of Wallstone® and Wallstone® Grande. Be sure to order all components as 'Urban' for a consistent finish and the economic price tag.
