

# Unipave®

Available in TAS

# adbri MASONRY

working together

Recommended For

Paths

Driveway Safe\*

\*When installed on a suitably prepared base.

Unipave® is Adbri Masonry's traditional interlocking paver that you can use to complete your own home driveway and garden paths.

Unipave® is also suitable for a large range of commercial applications.

## COLOUR OPTIONS

Natural

Terracotta

Charcoal

Due to natural variations in aggregates, colour tones may vary from batch to batch.

Whilst these swatches provide a good indication of the products colour, you should always sight product samples before use.

This is a Made to Order colour - speak with your local Adbri Representative today for minimum quantities and lead times.

## AVAILABLE SIZES

Unipave®50  
43 units per m<sup>2</sup>
