

Breeze Blocks

Recommended For

Fences

Feature Walls

Screen Wall

Breeze Blocks mark the contemporary return of a unique series of screening, privacy and ventilation masonry units which now more than ever, can be utilised to stunning architectural effect in feature walls. With 4 available profiles, achieving airflow and natural light infiltration while retaining a sense of permanency and security has never been easier. Adbri's Breeze Blocks work with the wider Adbri structural masonry range in both the 90mm and 140mm series.

COLOUR OPTIONS

Natural

Whilst this swatch provides a good indication of the product colour, you should always sight product samples before use.

Due to natural variations in aggregates, colour may vary.
