working together

For the ultimate design choice, Adbri's Architectural Concrete Brick series cannot be matched. These premium range bricks feature 6 colour options and 3 textural finishes that will distinguish designs with their contemporary aesthetic appeal. The 18 options in the series includes the pressed, Smooth range, the exfoliated Shotblast range and the sought after Honed finish which features a near polished, exposed aggregate surface.

The Blended Brick collection is a boutique range of heritage bricks produced locally in a specialty plant in Bendigo. With a focus on engineered uniqueness, no two bricks are the same with the expert blending of two solid colours veined throughout each brick with a natural precision.
