Perfect For

Residential homes

Piers and blade walls

Internal and external feature walls

Multi-residential and architectural constructions

The Blended Brick collection is a boutique range of heritage bricks produced locally in a specialty plant in Bendigo. With a focus on engineered uniqueness, no two bricks are the same with the expert blending of two solid colours veined throughout each brick with a natural precision.

## FEATURES

- ✓ Traditional brick size and shape
- ✓ Blending throughout individual bricks and batch for a great natural aesthetic
- ✓ No blending needed on site – lay off the pallet

## COLOUR OPTIONS

Slate Blend

Coppertone

Ironstone

Driftwood

Due to natural variations in aggregates, colour tones may vary from batch to batch.

Whilst these swatches provide a good indication of the products colour, you should always sight product samples before use.
