Feature Walls

Screen Wall

Breeze Blocks mark the contemporary return of a unique series of screening, privacy and ventilation masonry units which now more than ever, can be utilised to stunning architectural effect in feature walls. Use in designs to achieve airflow and natural light infiltration while retaining a sense of permanency and security. With three modern colours which have a honed, polished texture on both sides, Adbri's Breeze Blocks are in stock and ready to enhance your project.

## COLOUR OPTIONS

Whilst this swatch provides a good indication of the product colour, you should always sight product samples before use. Due to natural variations in aggregates, colour may vary.

## FEATURES

- ✓ Decorative screening wall with premium honed finish on both sides
- ✓ Can be combined with structural masonry walling units
- ✓ Calibrated for size and thickness consistency
